| | |
|-----------------|------|
| Bottom Timer | 5€ |
| Hollis Prism II | 120€ |
| Fullface Mask | 40€ |

The course prices at Dahab Divers Technical are based on a daily teaching fee split in four categories:

- Essential/Entry Level Tec/Recreational
- Technical
- Closed Circuit Rebreather
- Dry Courses

Teaching rates

| | Standard | Privat |
|--|----------|--------|
| Essential/Entry Level/ Recreational | 150€ | 210€ |
| Technical | 200€ | 280€ |
| CCR | 250€ | 310€ |
| Dry Courses | 200€ | 250€ |

If a training period gets booked under the standard category, we might fill the course with up to three students. If a private course is desired, we book it as such and apply the private fee.

Included in the daily fee is the following:

- Working time of the Instructor
- Tank Rental
- Air/Nitrox and O2 fills
- Transportation to the dive sites
- Tec Basic Equipment for the Essential/Entry level Category

Excluded is the following:

- Helium Fills
- Co2 Absorbent

- Certification fee
- Student Manuals
- Basic Diving Equipment
- Equipment rental for the Technical and CCR Category

|---------------------------|--|-------|
| Nitrox Blender | | 1 Day |
| Trimix Blender | | 1 Day |
| Tek Academics | | 1 Day |
| EANx Diver | | 1 Day |

To be best prepared and having the maximum out of your time here with us it would be best if you read your student material prior to arrival.

| <u>Cost for IANTD certification and student Materials</u> | |
|--|--|
| Technical/CCR Certification | 45€ |
| Recreational Certification | 30€ |
| Student Material | Included in the certification fee. We send you your manual prior to your arrival as PDF so you can arrive well prepared! |

| <u>Cost for TDI certification and student Materials</u> | |
|--|------------------------------|
| Certification | 35\$ |
| Student Manual | 35\$ (not included shipment) |
| E-Learning | 35\$ |

Please note that certification is not guaranteed! You pay for the training not the certification! The Instructor will give his best to reach the certification in the above minimum days but if we think, there is extra time needed we will recommend extra training time until a certification is possible.
